ABOUT BROOKFIELD SCHOOLS

Brookfield Schools operates two independent sites for classified students, ages 5-21, who require intensive therapeutic interventions:

Brookfield Elementary (K-8th Grade)
Brookfield Academy (9th-12th Grade)

Every student receives individual counseling, character education and Social Emotional Learning (SEL) by a clinically and school certified therapist. Our priority is to facilitate the learning process, increase awareness of appropriate social behavior, and improve self-esteem and positive social interactions.

The mission of Brookfield Schools is to provide innovative, practical, and effective educational and therapeutic services for students with special emotional and behavioral needs that will put them on the pathway toward success and becoming productive members of society.

By supporting Brookfield Schools Golf Outing, you will help us make an important difference in the lives of our students.

Thank you for your support!
